Re: Waterfall Metropolitan District No. 1 – Grounds Maintenance and Snow Removal Services  
30 Day Termination Notice

After conducting a thorough business review of the Pinnacle portfolio, we have decided to consolidate resources into areas where we can provide the highest level of service to our customers. Based on this review please accept this as an official 30 day notice that Brickman will terminate grounds and snow removal services effective January 31, 2015.

Pursuant of the original agreement and if Pinnacle desires, Brickman will honor the 90 day termination as outlined in the agreement. If you wish to extend the termination date past January 31, 2015, please notify us in writing before January 15, 2015; otherwise Brickman will terminate grounds and snow services as of end of the day January 31, 2015.

We appreciate your business and please let us know if we can help during this transition.

Regards,

Jay Jamison
