WHEREAS, the District is a quasi-municipal corporation and political subdivision duly organized and existing as a metropolitan district under the constitution and laws of the State of Colorado, including particularly Title 32, Article 1, C.R.S; and

WHEREAS, the District was duly and validly created as a quasi-municipal corporation and political subdivision of the State of Colorado, by order and decree of the District Court for Larimer County, Colorado (the “**County**”) issued on May 16, 2008 and recorded with the Larimer County Clerk and Recorder on May 29, 2008 in accordance with the provisions of Title 32, Article 1, Colorado Revised Statutes (the “**Special District Act**”), and with the power to provide certain public infrastructure improvements and services, including street improvements, traffic and safety improvements, water improvements, storm and sanitation improvements, park and recreation improvements, transportation improvements, mosquito control improvements, and other infrastructure within and without its boundaries (collectively, the “**Public Improvements**”), as authorized pursuant to the Consolidated Service Plan for Waterfall Metropolitan District Nos. 1 & 2, dated March 10, 2008 and approved by the City of Loveland, Colorado (the “**City**”) on April 1, 2008 (as further amended and restated from time to time, the “**Service Plan**”), and as otherwise authorized under applicable law; and

WHEREAS, at the election of the qualified electors of the District duly called for and held on Tuesday, May 6, 2008 (the “**Election**”), in accordance with law and pursuant to due notice, a majority of eligible electors who voted at such election voted in favor of, inter alia, the issuance of general obligation indebtedness and the imposition of taxes for the payment thereof, for the purpose of funding the Public Improvements, and for the purpose of refunding such indebtedness; and

WHEREAS, the return of the Election was duly canvassed and the results thereof duly declared; and

WHEREAS, pursuant to the terms of the Service Plan, the District is authorized and permitted to issue up to \$12,000,000 in debt authorization to finance Public Improvements, not including refundings of existing debt; and

WHEREAS, the District previously issued its Limited Tax General Obligation Refunding Bonds, Series 2016A in the aggregate principal amount of \$1,710,000 on December

27, 2016 (the “**Series 2016A Bonds**”), for the purpose of refunding certain outstanding obligations of the District; and

WHEREAS, MBL 34, LLC (“**MBL**”) constructed certain Public Improvements and conveyed the same to the District in exchange for the District’s issuance to MBL of a Revenue and Limited Tax Obligation Subordinate Promissory Note dated as of December 27, 2016 in the aggregate principal amount of \$2,486,471.25 (the “**2016 MBL Subordinate Note**”); and

WHEREAS, the District previously issued its Limited Tax General Obligation Bonds, Series 2018 in the aggregate principal amount of \$2,211,000 on March 29, 2018 (the “**Series 2018 Bonds**”), for the purpose of financing a portion of the costs of the Public Improvements; and

WHEREAS, after extended discussions and consultation, it has been determined by the Board that it is necessary and in the best interest of the District and its residents to pay the costs of (i) paying and discharging the Series 2016A Bonds and the Series 2018 Bonds, and all or a portion of the 2016 MBL Subordinate Note (collectively, the “**Refunded Obligations**”), (ii) funding a reserve fund for the Bonds (as defined below), and (iii) paying costs of issuance in connection with the Bonds (as defined below) (collectively, the “**Project**”); and

WHEREAS, the District wishes to refund the Refunded Obligations in order to achieve interest rate savings and effect other economies; and

WHEREAS, the Board has determined that it is in the best interests of the District, and the residents and taxpayers thereof, that the Project be financed by the issuance of general obligation limited tax bonds, and that for such purpose there shall be issued such bonds of the District in the total principal amount of \$4,710,000 (as more particularly defined hereafter, the “**Bonds**”); and

WHEREAS, the Bonds shall be limited mill levy obligations of the District, and shall be payable solely from the Pledged Revenue (as defined herein); and

WHEREAS, the Bonds shall be issued pursuant to the provisions of Title 32, Article 1, Part 11, C.R.S., the Refunding Act (defined herein), and all other laws thereunto enabling; and

WHEREAS, the Board specifically elects to apply all of the provisions of Title 11, Article 57, Part 2, C.R.S., to the Bonds; and

WHEREAS, the Bonds shall be issued in denominations of \$500,000 each, and in integral multiples above \$500,000 of not less than \$1,000 each, and will be exempt from registration under the Colorado Municipal Bond Supervision Act; and

WHEREAS, the Bonds are being issued for the purpose of refinancing District debt (consisting of the Refunded Obligations) at a lower interest rate, and, in accordance with Article X, Section 20 of the Colorado Constitution, the Board now determines that: (a) no portion of the District’s electoral authorization for indebtedness shall be required to be allocated to the portion of the Bonds that does not exceed the outstanding principal amount of the Refunded Obligations; and (b) there shall be allocated to the District’s electoral authorization at the Election for indebtedness for refunding (i) the principal amount of such portion of the Bonds that exceeds the outstanding principal amount of the Refunded Obligations (\$828,815), and (ii) the entire principal amount of the Series 2022B Subordinate Bonds (\$985,000) (as such bonds do not constitute a refinancing at a lower interest rate); and

WHEREAS, for purposes of the Election and the maximum annual repayment amounts and maximum total repayment amounts authorized thereby, it is hereby determined by the Board that the amount thereof which is allocated to the repayment of the Bonds shall be an amount which bears the same proportion to such maximum amounts as the principal amount of the Bonds for each purpose bears to the total principal amounts authorized by the Election for each purpose; and

WHEREAS, the District has duly authorized the execution and delivery of this Indenture to provide for the issuance of the Bonds; and

WHEREAS, all things necessary to make the Bonds, when executed by the District and authenticated and delivered by the Trustee hereunder, the valid obligations of the District, and to make this Indenture a valid agreement of the District, in accordance with their and its terms, have been done.

For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

Section 1.04. Exclusion of Bonds Held By The District. In determining whether the Consent Parties with respect to the requisite principal amount of the Outstanding Bonds have given any request, demand, authorization, direction, notice, consent, or waiver hereunder, Bonds for which the District is the Consent Party or the entity entitled to direct the actions of the Consent Party shall be disregarded and deemed not to be Outstanding.

(d) Any certificate or opinion of an officer of the District may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, Counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Proof of execution of any such instrument or of a writing appointing any such agent made in the manner set forth in paragraph (b) hereof shall be sufficient for any purpose of this Indenture and (subject to Section 9.01 hereof) conclusive in favor of the Trustee and the District.

(b) The fact and date of the execution by any person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or a member of a partnership, on behalf of such corporation or partnership, such affidavit or certificate shall also constitute sufficient proof of his authority.

(c) Any request, demand, authorization, direction, notice, consent, waiver, or other action provided by this Indenture to be given or taken by the Consent Parties with respect to a specified percentage or portion of the Outstanding Bonds shall be conclusive and binding upon

all present and future Owners and Consent Parties if the Consent Parties with respect to the specified percentage or portion of the Outstanding Bonds take such action in accordance herewith; and it shall not be necessary to make notation of such action on any Bond authenticated and delivered hereunder. ARTICLE TWO **THE BONDS**

Section 2.01. Authorization, Terms, Payment, and Form of Bonds; Termination Date.

(a) In accordance with the Constitution of the State of Colorado; the Election; the Refunding Act, the Supplemental Act; Title 32, Article 1, Part 11, C.R.S.; and all other laws of the State of Colorado thereunto enabling, there shall be issued the Bonds for the purposes hereinafter stated. The aggregate principal amount of the Bonds that may be authenticated and delivered under this Indenture is limited to and shall not exceed \$4,710,000, except as provided in Section 2.06 and Section 2.09 hereof.

(b) The Bonds shall be issued only as fully registered Bonds without coupons in Authorized Denominations. Unless the District shall otherwise direct, the Bonds shall be numbered separately from 1 upward, with the number of each Bond preceded by "R-".

(c) The Bonds shall be dated as of the date of issuance, and shall bear interest at the rates set forth below, calculated on the basis of a 360-day year of twelve 30-day months, payable on each June 1 and December 1, commencing on December 1, 2022, and shall mature on December 1, on the dates and in the amounts set forth below:

<u>December 1</u> <u>Year</u>	<u>Amount</u>	<u>Interest Rate</u>
2052	\$4,710,000	5.250%

(d) The maximum net effective interest rate authorized for this issue of Bonds is 12%, and the actual net effective interest rate of the Bonds does not exceed such maximum rate. The maximum repayment costs of the Bonds do not exceed the limitations of the Election. The maximum annual debt service on the Bonds does not exceed the maximum annual tax increases authorized in the Election.

(e) The principal of and premium, if any, on the Bonds are payable in lawful money of the United States of America to the Owner of each Bond upon maturity or prior redemption and presentation at the principal office of the Trustee. The interest on any Bond is payable to the person in whose name such Bond is registered, at his address as it appears on the registration books maintained by or on behalf of the District by the Trustee, at the close of business on the Record Date, irrespective of any transfer or exchange of such Bond subsequent to such Record Date and prior to such interest payment date; provided that any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the Owner thereof at the close of business on the Record Date and shall be payable to the person who is the Owner thereof at the close of business on a Special Record Date for the payment of any such unpaid interest. Such Special Record Date shall be fixed by the Trustee whenever moneys become available for payment of the unpaid interest, and notice of the Special Record Date shall be given to the Owners of the Bonds not less than ten (10) days prior to the Special Record Date by first-class mail to each such Owner as shown on the registration books kept by the Trustee on a date selected by the Trustee. Such notice shall state the date of the Special Record Date and the date fixed for the payment of such unpaid interest.

(f) Interest payments shall be paid by check or draft of the Trustee mailed on or before the interest payment date to the Owners. The Trustee may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the Owner of such Bond and the Trustee; provided that the District shall not be required to incur any expenses in connection with such alternative means of payment.

(g) Notwithstanding anything herein to the contrary, all of the Bonds and interest thereon shall be deemed to be paid, satisfied, and discharged on the Termination Date, regardless of the amount of principal and interest paid prior to the Termination Date; provided however, that the foregoing shall not relieve the District of the obligation to impose the Required Mill Levy each year prior to the year in which the Termination Date occurs and apply the Pledged Revenue in the manner required herein prior to the Termination Date.

(h) To the extent principal of any Bond is not paid when due, such principal shall remain Outstanding until the Termination Date and shall continue to bear interest at the rate then borne by the Bond. To the extent interest on any Bond is not paid when due, such interest shall compound on each interest payment date, at the rate then borne by the Bond; provided however, that notwithstanding anything herein to the contrary, the District shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of the Bonds, including all payments of principal, premium if any, and interest, and all Bonds will be deemed defeased and no longer Outstanding upon the payment by the District of such amount.

(i) Subject to the provisions of this Indenture, the Bonds shall be in substantially the form set forth in Exhibit B attached hereto, with such variations, omissions, and

insertions as may be required by the circumstances, be required or permitted by this Indenture, or be consistent with this Indenture and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto. Pursuant to the recommendations promulgated by the Committee on Uniform Security Identification Procedures, "CUSIP" numbers may be printed on the Bonds. The Bonds may bear such other endorsement or legend satisfactory to the Trustee as may be required to conform to usage or law with respect thereto.

Section 2.02. Purpose of Issuance of Bonds. The Bonds are being issued for the purpose of: (i) paying and discharging all or a portion of the Refunded Obligations, (ii) funding the Reserve Fund, and (iii) paying costs of issuance in connection with the Bonds. The Owners of the Bonds shall not be responsible for the application or disposal by the District or any of its officers of the funds derived from the sale thereof.

Section 2.03. Trustee as Paying Agent and Bond Registrar.

(a) The Trustee shall perform the functions of paying agent and authenticating registrar with respect to the Bonds. The Trustee shall establish the registration books for the Bonds and thereafter maintain such books in accordance with the provisions hereof. The District shall cause the Underwriter to provide the Trustee with an initial registry of the Owners within a reasonable time prior to delivery of the Bonds. The District shall be permitted to review the registration books at any time during the regular business hours of the Trustee and, upon written request to the Trustee, shall be provided a copy of the list of Owners of the Bonds. Upon the termination of this Indenture, the Trustee shall promptly return such registration books to the District.

(b) The Trustee shall make payments of principal and interest on the Bonds on each date established herein for payment thereof, in the manner and from the sources set forth herein.

(c) The Trustee will register, exchange, or transfer (collectively "**transfer**") the Bonds in the manner provided herein. The Trustee reserves the right to refuse to transfer any Bond until it is satisfied that the endorsement on the Bond is valid and genuine, and for that purpose it may require a guarantee of signature by a firm having membership in the Midwest, New York, or American Stock Exchange, or by a bank or trust company or firm approved by it. The Trustee also reserves the right to refuse to transfer any Bond until it is satisfied that the requested transfer is legally authorized, and it shall incur no liability for any refusal in good faith to make a transfer which it, in its judgment, deems improper or unauthorized.

(d) The District shall furnish the Trustee with a sufficient supply of blank Bonds for the sole purpose of effecting transfers in accordance herewith and from time to time shall renew such supply upon the request of the Trustee. Blank Bonds shall be signed and sealed by the District in the manner set forth herein.

(e) In the event the District receives any notice or order which limits or prohibits dealing in the Bonds, it will immediately notify the Trustee of such notice or order and give a copy thereof to the Trustee.

(f) In any circumstances concerning the payment or registration of the Bonds not covered specifically by this Indenture, the Trustee shall act in accordance with federal and state banking laws and its normal procedures in such matters.

Section 2.04. Execution of Bonds; Signatures. The Bonds shall be executed on behalf of the District by the manual or facsimile signature of the President or Vice President of the District, sealed with a manual impression or facsimile of its corporate seal, and attested by the manual or facsimile signature of the Secretary or an Assistant Secretary of the District. In case any officer who shall have signed any of the Bonds shall cease to be such officer of the District before the Bonds have been authenticated by the Trustee or delivered or sold, such Bonds with the signatures thereto affixed may, nevertheless, be authenticated by the Trustee and delivered, and may be sold by the District, as though the person or persons who signed such Bonds had remained in office.

Section 2.05. Persons Treated as Owners. The District and the Trustee may treat the Owner of any Bond as the absolute owner of such Bond for the purpose of receiving payment thereof or on account thereof and for all other purposes, whether or not such Bond is overdue, and neither the District nor the Trustee shall be affected by notice to the contrary.

Section 2.06. Lost, Stolen, Destroyed, or Mutilated Bonds. Any Bond that is lost, stolen, destroyed, or mutilated may be replaced (or paid if the Bond has matured or come due by reason of prior redemption) by the Trustee in accordance with and subject to the limitations of applicable law. The applicant for any such replacement Bond shall post such security, pay such costs, and present such proof of ownership and loss as may be required by applicable law, or in the absence of specific requirements, as may be required by the Trustee. If mutilated, the District shall execute, and the Trustee shall authenticate and deliver, a new Bond of the same series, date, maturity and Authorized Denomination in lieu of such lost, stolen, destroyed or mutilated Bond. In the event any such lost, stolen, destroyed, or mutilated Bond shall have become due for payment, instead of issuing a replacement Bond as provided above, the Trustee may pay the same, and may charge the Owner the reasonable fees and expenses of the Trustee in connection therewith.

Section 2.07. Delivery of Bonds. Upon the execution and delivery of this Indenture, the District shall execute the Bonds and deliver them to the Trustee, and the Trustee shall authenticate the Bonds and deliver them to or for the account of the purchasers thereof, as directed by the District and in accordance with a written certificate of the District. The Trustee shall be entitled to conclusively rely upon such direction and authorization from the District as to the names of the purchasers and the amount of such purchase price. Each initial Owner of the Bonds will be required to execute an Investor Letter in the form attached hereto as Exhibit C.

Section 2.08. Trustee's Authentication Certificate. The Trustee's certificate of authentication upon the Bonds shall be substantially in the form and tenor set forth in Exhibit B attached hereto. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit hereunder unless and until a certificate of authentication on such Bond substantially in such form shall have been duly executed by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer or signatory of the Trustee,

but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds issued hereunder.

Section 2.09. Registration, Exchange, and Transfer of Bonds.

(a) The Trustee shall act as bond registrar and maintain the books of the District for the registration of ownership of each Bond as provided herein.

(b) Bonds may be exchanged at the principal office of the Trustee for a like aggregate principal amount of Bonds of the same maturity of other Authorized Denominations. Bonds may be transferred upon the registration books upon delivery of the Bonds to the Trustee, accompanied by a written instrument or instruments of transfer in form and with guaranty of signature satisfactory to the Trustee, duly executed by the Owner of the Bonds to be transferred or his attorney-in-fact or legal representative, containing written instructions as to the details of the transfer of such Bonds, along with the social security number or federal employer identification number of such transferee. No transfer of any Bond shall be effective until entered on the registration books. In all cases of the transfer of a Bond, the Trustee shall enter the transfer of ownership in the registration books, and shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of Authorized Denominations of the same maturity and interest rate for the aggregate principal amount which the Owner is entitled to receive at the earliest practicable time in accordance with the provisions hereof.

(c) The Trustee shall charge the Owner of such Bond for every such transfer or exchange of a Bond an amount sufficient to reimburse it for its reasonable fees and for any tax or other governmental charge required to be paid with respect to such transfer or exchange.

(d) The District and Trustee shall not be required to issue or transfer any Bonds: (a) during a period beginning at the close of business on the Record Date and ending at the opening of business on the first business day following the ensuing interest payment date, or (b) during the period beginning at the opening of business on a date forty-five (45) days prior to the date of any redemption of Bonds and ending at the opening of business on the first business day following the day on which the applicable notice of redemption is mailed. The Trustee shall not be required to transfer any Bonds selected or called for redemption, in whole or in part.

(e) New Bonds delivered upon any transfer or exchange shall be valid obligations of the District, evidencing the same debt as the Bonds surrendered, shall be secured by this Indenture, and shall be entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.

Section 2.10. Cancellation of Bonds. Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture and upon payment of the principal amount, premium if any, and interest due thereon, or whenever any Outstanding Bond shall be delivered to the Trustee for transfer pursuant to the provisions hereof, such Bond shall be cancelled by the Trustee in accordance with the customary practices of the Trustee and applicable retention laws.

Section 2.11. Non-presentment of Bonds. In the event any Bonds, or portions thereof, shall not be presented for payment when the principal thereof becomes due, either at

maturity, the date fixed for redemption thereof, or otherwise, if funds sufficient for the payment thereof, including accrued interest thereon, shall have been deposited into the Bond Fund or otherwise made available to the Trustee for deposit therein, then on and after the date said principal becomes due, all interest thereon shall cease to accrue and all liability of the District to the Owner or Owners thereof for the payment of such Bonds, shall forthwith cease, terminate, and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds in a separate trust account for the benefit of the owner or owners of such Bonds, who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his, her or their part under this Indenture with respect to said Bond or on, or with respect to, this Indenture. Such moneys shall not be required to be invested during such period by the Trustee. If any Bond shall not be presented for payment within the period of three years following the date when such Bond becomes due, whether by maturity or otherwise, the Trustee shall return to the District the funds theretofore held by it for payment of such Bond and payment of such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the District. The obligations of the Trustee under this Section shall be subject, however, to any law applicable to the unclaimed funds or the Trustee providing other requirements for the disposition of unclaimed property.

Section 2.12. Book-Entry System.

(a) The Bonds shall be initially issued in the form of single, certificated, fully registered Bonds for each maturity and interest rate. Upon initial issuance, the ownership of each such Bond shall be registered in the registration books kept by the Trustee in the name of Cede.

(b) With respect to Bonds registered in the name of Cede or held by a Depository, neither the District nor the Trustee shall have any responsibility or obligation to any Participant or Beneficial Owner including, without limitation, any responsibility or obligation with respect to: (i) the accuracy of the records of the Depository or any Participant concerning any ownership interest in the Bonds; (ii) the delivery to any Participant, Beneficial Owner, or person other than the Owner, of any notice concerning the Bonds, including notice of redemption; or (iii) the payment to any Participant, Beneficial Owner, or person other than the Owner, of the principal of, premium if any, and interest on the Bonds. The District and the Trustee may treat the Owner of any Bond as the absolute owner of such Bond for the purpose of payment of the principal of, premium if any, and interest on such Bond, for purposes of giving notices of redemption and other matters with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of, premium if any, and interest on or in connection with the Bonds only to or upon the order of the Owners, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the payment of the same. No person, other than an Owner, shall receive a certificated Bond evidencing the obligations of the District pursuant to this Indenture.

(c) DTC may determine to discontinue providing its service as Depository with respect to the Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Upon the termination of the services of DTC, a substitute Depository which is willing and able to undertake the system of book-entry transfers upon reasonable and customary terms may be engaged by the District or, if the District determines in its sole and absolute discretion that it is in the best interests of the Beneficial Owners or the District

that the Beneficial Owners should be able to obtain certificated Bonds, the Bonds shall no longer be restricted to being registered in the name of Cede or other nominee of a Depository but shall be registered in whatever name or names the Beneficial Owners shall designate at that time, and fully registered Bond certificates shall be delivered to the Beneficial Owners.

ARTICLE THREE **REVENUES AND FUNDS**

Section 3.01. Source of Payment of Bonds. All of the Bonds, together with the interest thereon and any premium due in connection therewith, shall be payable solely from and to the extent of the Pledged Revenue, including all moneys and earnings thereon held in the funds and accounts herein created, and the Pledged Revenue is hereby pledged to the payment of the Bonds. The Bonds shall constitute an irrevocable lien upon the Pledged Revenue and the moneys and earnings thereon held in the funds and accounts herein created, but not necessarily an exclusive such lien.

Section 3.02. Creation of Funds and Accounts. There are hereby created the following funds and accounts, which shall be held and maintained by the Trustee in accordance with the provisions of this Indenture:

- (a) the Bond Fund;
- (b) the Reserve Fund; and
- (c) the Costs of Issuance Fund.

Section 3.03. Initial Credits. Immediately upon issuance of the Bonds and from the proceeds thereof, plus funds on hand with respect to the Series 2016A Bonds and Series 2018 Bonds totaling \$476,687.03, and after payment of the Underwriter's discount of \$74,279.72, the District shall make the following credits:

- (a) to the Reserve Fund, the amount of \$357,200.00 representing the Required Reserve;
- (b) to UMB Bank, n.a., as trustee for the Series 2016A Bonds, an amount equal to \$1,755,957.22 to be applied as payment in full on the Series 2016A Bonds;
- (c) to UMB Bank, n.a., as trustee for the Series 2018 Bonds, an amount equal to \$2,299,021.94 to be applied as payment in full on the Series 2018 Bonds;
- (d) to MBL 34, LLC, an amount equal to \$430,033.45 to be applied as a payment on the 2016 MBL Subordinate Note; and
- (e) to the Costs of Issuance Fund, an amount equal to \$270,194.70 to pay costs of issuance in connection with the Bonds.

Section 3.04. Costs of Issuance Fund. The Costs of Issuance Fund shall be maintained by the Trustee. All moneys on deposit in the Costs of Issuance Fund shall be applied

by the Trustee, at the direction of the District in accordance with the closing memorandum, for the payment of approved costs in connection with the issuance of the Bonds, including, without limitation, printing costs, CUSIP fees, regulatory fees, rating fees, the fees and expenses of Bond Counsel, general counsel, Underwriter's counsel and other counsel, the fees and expenses of the District's accountant, manager, special consultants and other professionals, the fees and costs of the Trustee and other costs and expenses of the District relating to the issuance of the Bonds. The Trustee may rely conclusively on any such direction and shall not be required to make any independent investigation in connection therewith. Any amounts remaining in the Costs of Issuance Fund on the 60th day following the Issue Date shall be transferred by the Trustee into the Bond Fund.

Section 3.05. Flow of Funds. The District shall transfer all amounts comprising Pledged Revenue to the Trustee as soon as may be practicable after the receipt thereof, and in no event later than the 20th day of the calendar month immediately succeeding the calendar month in which such revenue is received by the District; provided, however, that in the event that the total amount of Pledged Revenue received by the District in a calendar month is less than \$50,000, the Pledged Revenue received in such calendar month may instead be remitted to the Trustee no later than the 20th day of the calendar month immediately succeeding the calendar quarter in which such revenue is received by the District (i.e., no later than April 20th for Pledged Revenue received in January, February or March, no later than July 20th for Pledged Revenue received in April, May or June, no later than October 20th for Pledged Revenue received in July, August or September, and no later than January 20th for Pledged Revenue received in October, November or December). IN NO EVENT IS THE DISTRICT PERMITTED TO APPLY ANY PORTION OF THE PLEDGED REVENUE TO ANY OTHER PURPOSE, OR TO WITHHOLD ANY PORTION OF THE PLEDGED REVENUE. In addition, in order to assure the proper application of moneys constituting Pledged Revenue, on and after the date of issuance of any Additional Bonds, the District shall also transfer to the Trustee all moneys pledged to the payment of such Additional Bonds which are derived from ad valorem taxes of the District, or Specific Ownership Taxes, and any such moneys shall constitute part of the Trust Estate. The Trustee shall apply the Pledged Revenue and such other moneys in the following order of priority. For purposes of the following: (i) the priorities established below are intended to create a tiered "waterfall" structure in which no Pledged Revenue flows to a lower priority until all of the higher priorities have been fully funded as provided herein; (ii) when credits to more than one fund, account, or purpose are required at any single priority level, such credits shall rank *pari passu* with each other and, in the event that Pledged Revenue is not sufficient to fully fund all amounts required at any single priority level, credits shall be made pro rata, in accordance with the relative amounts required to be deposited to such funds or accounts or, in the case of SECOND below, the relative outstanding principal amounts of the obligations secured by the applicable funds, and (iii) when credits are required to go to funds or accounts which are not held by the Trustee under this Indenture, the Trustee may rely upon the written instructions of the District with respect to the appropriate funds or accounts to which such credits are to be made.

FIRST: To the Trustee, in an amount sufficient to pay the Trustee Fees then due and payable;

SECOND: To the credit of the Bond Fund the amounts required by the Section hereof entitled "Bond Fund", and to the credit of any other similar

fund or account established for the current payment of the principal of, premium if any, and interest on any other Parity Bonds, the amounts required by the documents pursuant to which the Parity Bonds are issued;

THIRD: To the credit of the Reserve Fund, the amounts required by the Section hereof entitled "Reserve Fund", and to the credit of any reserve fund or similar fund or account established in connection with any other Parity Bonds to secure the payment of the principal of, premium if any, and interest on such Parity Bonds and fully funded as of the date of issuance of such Parity Bonds, the amounts required by the documents pursuant to which such other Parity Bonds are issued;

FOURTH: To the credit of any other fund or account established for the payment of the principal of, premium if any, and interest on Subordinate Bonds, including any sinking fund, reserve fund, or similar fund or account established therefor, the amounts required by the documents pursuant to which the Subordinate Bonds are issued;

FIFTH: To the credit of any other fund or account established for the payment of the principal of, premium if any, and interest on Junior Lien Bonds, including any sinking fund, reserve fund, or similar fund or account established therefor, the amounts required by the documents pursuant to which the Junior Lien Bonds are issued; and

SIXTH: To the credit of any other fund or account as may be designated by the District, to be used for any lawful purpose, any Pledged Revenue remaining after the payments and accumulations set forth above (which revenues, upon disbursement to or at the direction of the District in accordance with this clause SIXTH, shall be released from the lien hereof and shall thereafter no longer constitute "Pledged Revenue" hereunder).

In the event that any Pledged Revenue is available to be disbursed in accordance with clause SIXTH above, the District will, in making its determination as to the application of such amounts, take into account that State law places certain restrictions upon the use of any moneys representing ad valorem property tax revenue from a debt service mill levy, and any then existing pledge or encumbrance on such revenues. For purposes of determining the nature of the Pledged Revenue available for disbursement pursuant to SIXTH above, the Pledged Revenue applied in FIRST and SECOND above shall be deemed to be funded, first, from Property Tax Revenues resulting from imposition of the Required Mill Levy, and second, from Specific Ownership Tax revenues resulting from imposition of the Required Mill Levy.

The District covenants that all property tax revenue collected by the District from a debt service mill levy, or so much thereof as is needed, shall first, be designated as Property Tax

Revenues in any Bond Year to pay annual debt service on the Bonds and any Parity Bonds and to fund such funds and accounts as are required in accordance with the terms hereof and the resolution, indenture or other enactment authorizing such Parity Bonds, and only after the funding of such payments and accumulations required in such Bond Year, can property tax revenue be applied to pay Subordinate Bonds or Junior Lien Bonds. The debt service property tax levy imposed for the payment of any Subordinate Bonds or Junior Lien Bonds shall be deemed reduced to the number of mills (if any) available for payment of Subordinate Bonds or Junior Lien Bonds in any Bond Year after first providing for the full payment and accumulation of all amounts due on the Bonds and any Parity Bonds in such Bond Year.

Section 3.06. Bond Fund.

(a) Subject to the receipt of sufficient Pledged Revenue, there shall be credited to the Bond Fund each Bond Year an amount of Pledged Revenue which, when combined with other legally available moneys in the Bond Fund (but not including moneys deposited thereto from other funds pursuant to the terms hereof), will be sufficient to pay the principal of, premium if any, and interest on the Bonds which has or will become due in the Bond Year in which the credit is made.

(b) Moneys in the Bond Fund (including any moneys transferred thereto from other funds pursuant to the terms hereof) shall be used by the Trustee solely to pay the principal of, premium if any, and interest on the Bonds, in the following order:

- (i) First, to the payment of interest due in connection with the Bonds (including without limitation current interest, accrued but unpaid interest, and interest due as a result of compounding, if any); and
- (ii) Second, to the extent any moneys are remaining in the Bond Fund after the payment of such interest, to the payment of the principal of and premium, if any, on the Bonds, whether due at maturity or upon prior redemption.

(c) In the event that available moneys in the Bond Fund (including any moneys transferred thereto from other funds pursuant to the terms hereof) are insufficient for the payment of the principal of, premium if any, and interest due on the Bonds on any due date, the Trustee shall apply such amounts on such due date as follows:

- (i) First, the Trustee shall pay such amounts as are available, proportionally in accordance with the amount of interest due on each Bond.
- (ii) Second, the Trustee shall apply any remaining amounts to the payment of the principal of and premium, if any, on as many Bonds as can be paid with such remaining amounts, such payments to be in increments of \$1,000 or any integral multiple thereof, plus any premium. Bonds or portions thereof to be redeemed pursuant to such partial payment shall be selected by lot from the Bonds the principal of which is due and owing on the due date.

Section 3.07. Reserve Fund.

(a) The Reserve Fund shall be maintained in the amount of the Required Reserve as provided herein for so long as any Bond is Outstanding. Amounts in the Reserve Fund are to be applied to pay the Bonds in the event of an insufficiency in the amount on deposit in the Bond Fund are insufficient for such purpose or to make the final payments in respect of the Bonds.

(b) Moneys in the Reserve Fund shall be used by the Trustee, if necessary, only to prevent a deficit in the payment of the principal of, premium if any, or interest on the Bonds, and the Reserve Fund is hereby pledged to the payment of the Bonds. In the event the amounts credited to the Bond Fund are insufficient to pay the principal of, premium if any, or interest on the Bonds when due, the Trustee shall transfer from the Reserve Fund to the Bond Fund an amount which, when combined with moneys in the Bond Fund, will be sufficient to make such payments when due. In the event that moneys in the Bond Fund and the Reserve Fund are together insufficient to make such payments when due, the Trustee will nonetheless transfer all moneys in the Reserve Fund to the Bond Fund.

(c) If at any time the Reserve Fund is drawn upon or valued so that the amount of the Reserve Fund is less than the Required Reserve, then the Trustee shall apply Pledged Revenue to the credit of the Reserve Fund in amounts sufficient to bring the amount credited to the Reserve Fund to the Required Reserve. Such credits shall be made at the earliest practicable time, but in accordance with and subject to the limitations of the Section hereof entitled "Flow of Funds". Nothing herein shall be construed as requiring the District to impose an ad valorem mill levy for the purpose of funding the Reserve Fund in excess of the Required Mill Levy. For purposes of this Section, investments credited to the Reserve Fund shall be valued on the basis of their current market value, as reasonably determined by the District, which value shall be determined at least annually, and any deficiency resulting from such evaluation shall be replenished as aforesaid. The amount credited to the Reserve Fund shall never exceed the amount of the Required Reserve.

(d) Notwithstanding the foregoing, Permitted Refunding Bonds issued to partially refund the Bonds may be secured by the Reserve Fund in the same fashion as the Bonds remaining Outstanding after issuance of such Permitted Refunding Bonds, and if so secured, such Permitted Refunding Bonds shall have a claim upon the Reserve Fund which ranks *pari passu* with the claim of the Bonds remaining Outstanding after issuance of such Permitted Refunding Bonds.

Section 3.08. Reserved.

Section 3.09. Moneys to be Held in Trust. All moneys deposited with or paid to the Trustee under any provision of this Indenture shall be held by the Trustee in trust for the purposes specified in this Indenture, and except for moneys paid to the Trustee for its fees and expenses, shall constitute part of the Trust Estate and be subject to the lien hereof. Except to the extent otherwise specifically provided in Article Seven, and Section 8.05 hereof, the District shall have no claim to or rights in any moneys deposited with or paid to the Trustee hereunder.

Section 3.10. Pledge of Revenues. The creation, perfection, enforcement, and priority of the pledge of revenues to secure or pay the Bonds provided herein shall be governed by §11-57-208 of the Supplemental Act, this Indenture, and the Bond Resolution. The amounts

pledged to the payment of the Bonds shall immediately be subject to the lien of such pledge without any physical delivery, filing, or further act. The lien of such pledge and the obligation to perform the contractual provisions hereof and of the Bond Resolution shall have priority over any and all other obligations and liabilities of the District, except as may be otherwise provided in the Supplemental Act, in this Indenture, in the Bond Resolution, or in any other instrument, but subject to any prior pledges and liens. The lien of such pledge shall be valid, binding, and enforceable as against all persons having claims of any kind in tort, contract, or otherwise against the District irrespective of whether such persons have notice of such liens.

ARTICLE FOUR **COVENANTS OF DISTRICT**

Section 4.01. Performance of Covenants, Authority. The District covenants that it will faithfully perform and observe at all times any and all covenants, undertakings, stipulations, and provisions contained in the Bond Resolution, this Indenture, the Bonds, and all its proceedings pertaining hereto. The District covenants that it is duly authorized under the constitution and laws of the State of Colorado, including, particularly and without limitation, the Act, to issue the Bonds and to execute this Indenture and that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken and will be duly taken as provided herein, and that the Bonds are and will be valid and enforceable obligations of the District according to the terms thereof.

Section 4.02. Instruments of Further Assurance. The District covenants that it will do, execute, acknowledge, and deliver or cause to be done, executed, acknowledged, and delivered, such indentures supplemental hereto and such further acts, instruments, and transfers as the Trustee may reasonably require for the better assuring, transferring, and pledging unto the Trustee all and singular the Trust Estate.

Section 4.03. Covenant to Impose Required Mill Levy.

(a) For the purpose of paying the principal of, premium if any, and interest on the Bonds, and if necessary funding the Reserve Fund, the District covenants to cause to be levied on all of the taxable property of the District, in addition to all other taxes, direct annual taxes in each of the years 2022 to 2051 (for collection in each of the years 2023 to 2052), inclusive in the amount of the Required Mill Levy. Nothing herein shall be construed to require the District to levy an ad valorem property tax in an amount in excess of the Required Mill Levy.

(b) NOTWITHSTANDING ANY OTHER PROVISION HEREIN, THE DISTRICT SHALL NOT BE REQUIRED TO IMPOSE THE REQUIRED MILL LEVY FOR PAYMENT OF THE BONDS AFTER DECEMBER 2061 (FOR COLLECTION IN CALENDAR YEAR 2062).

(c) The foregoing provisions of this Indenture are hereby declared to be the certificate of the Board to the board or boards of county commissioners of each county in which taxable real or personal property of the District is located, showing the aggregate amount of taxes to be levied from time to time, as required by law, for the purposes aforesaid.

(d) The amounts necessary to pay all costs and expenses incidental to the issuance of the Bonds and to pay the principal of, premium if any, and interest on the Bonds when due and to make up any deficiencies in the Reserve Fund are hereby appropriated for said purposes, and such amounts as appropriate for each year shall also be included in the annual budget and the appropriation bills to be adopted and passed by the Board in each year, respectively, until the Bonds have been fully paid, satisfied, and discharged.

(e) It shall be the duty of the Board, annually, at the time and in the manner provided by law for levying other District taxes, to ratify and carry out the provisions hereof with reference to the levying and collection of taxes; and the Board shall levy, certify, and collect said taxes in the manner provided by law for the purposes aforesaid.

(f) Said taxes shall be levied, assessed, collected, and enforced at the time and in the form and manner and with like interest and penalties as other general taxes in the State of Colorado, and when collected said taxes shall be paid to the District as provided by law. The Board shall take all necessary and proper steps to enforce promptly the payment of taxes levied pursuant to this Indenture.

Section 4.04. Additional Bonds.

(a) *In General* - After issuance of the Bonds, no Additional Bonds may be issued except in accordance with the provisions of this Section. Nothing herein shall affect or restrict the right of the District to issue or incur obligations which are not Additional Bonds hereunder; provided that notwithstanding the foregoing or anything herein to the contrary, the District shall not create, incur, assume, or suffer to exist any liens or encumbrances upon the ad valorem tax revenues of the District or the Pledged Revenue or any part thereof superior to the lien thereon of the Bonds.

(b) *Series 2022B Subordinate Bonds* - The District may issue the Series 2022B Subordinate Bonds at such time or times and on such terms and conditions as may be determined by the District without compliance with any of the other terms and conditions of this Section.

(c) *Permitted Refunding Bonds* - The District may issue Permitted Refunding Bonds at such time or times and in such amounts as may be determined by the District in its absolute discretion without compliance with any of the other terms and conditions of this Section.

(d) *Parity Bonds* - The District may issue additional Parity Bonds if such issuance is consented to by the Consent Parties with respect to a majority in aggregate principal amount of the Bonds then Outstanding, provided that, with or without such consent, the District may issue additional Parity Bonds if each of the following conditions are met as of the date of issuance of such additional Parity Bonds:

- (i) No Event of Default has occurred and is continuing and no amounts of principal or interest on the Bonds or any other Parity Bonds are due but unpaid, unless: (A) such Event of Default or failure to pay principal or interest on the Bonds will be cured upon issuance of the Parity Bonds, or (B) the conditions of clause (iv)(B) below are satisfied.

- (ii) The amount of the Reserve Fund is not less than the Required Reserve.
- (iii) Upon issuance of the additional Parity Bonds, the Debt to Assessed Ratio of the District will be 50% or less.
- (iv) A separate reserve fund is created for the security of the additional Parity Bonds in an amount not less than 10% of the issue price of such Parity Bonds or such lesser amount as may be permitted to be used for deposits of the proceeds of tax-exempt obligations to reasonably required reserve or replacement funds under then-existing federal income tax rules and regulations, such separate reserve fund to function in substantially the same fashion as the Reserve Fund for the Bonds, which separate reserve fund shall be fully funded as of the date of issuance of the Parity Bonds from the proceeds of the Parity Bonds or from any other source other than Pledged Revenue, and which may be replenished from Pledged Revenue in accordance with the Section hereof entitled "Flow of Funds".

(e) *Subordinate Bonds* - The District may issue Additional Bonds constituting Subordinate Bonds if such issuance is consented to by the holders of the Subordinate Bonds.

(f) *Junior Lien Bonds* – The District may issue Additional Bonds constituting Junior Lien Bonds if the following condition is met as of the date of issuance of such Junior Lien Bonds: the maximum mill levy which the District promises to impose for payment of the Junior Lien Bonds is not higher than the maximum Subordinate Required Mill Levy, and subject to the same deductions and adjustments as the Subordinate Required Mill Levy.

(g) *District Certification* - A written certificate by the President or Vice President or Treasurer of the District that the conditions for issuance of Additional Bonds set forth herein are met shall conclusively determine the right of the District to authorize, issue, sell, and deliver such Additional Bonds in accordance herewith.

Section 4.05. Additional Covenants and Agreements. The District hereby further irrevocably covenants and agrees with each and every Owner that so long as any of the Bonds remain Outstanding:

(a) The District shall not dissolve, merge, or otherwise alter its corporate structure in any manner or to any extent as might materially adversely affect the security provided for the payment of the Bonds, and will continue to operate and manage the District and its facilities in an efficient and economical manner in accordance with all applicable laws, rules, and regulations; provided however, that the foregoing shall not prevent the District from dissolving pursuant to the provisions of the Act.

(b) At least once a year the District will cause an audit to be performed of the records relating to its revenues and expenditures, and the District shall use its reasonable efforts to have such audit report completed no later than September 30 of the calendar year after the calendar

year which is the subject of such audit. The foregoing covenant shall apply notwithstanding any state law audit exemptions that may exist. In addition, at least once a year in the time and manner provided by law, the District will cause a budget to be prepared and adopted. Copies of the budget and any audit will be filed and recorded in the places, time, and manner provided by law.

(c) The District will carry general liability, public officials liability, and such other forms of insurance on insurable District property upon the terms and conditions, in such amounts, and issued by recognized insurance companies, as in the judgment of the District will protect the District and its operations.

(d) Each District official or other person having custody of any District funds or responsible for the handling of such funds, shall be bonded or insured against theft or defalcation at all times.

(e) In the event the Pledged Revenue and other moneys available hereunder for payment of the Bonds is insufficient or is anticipated to be insufficient to pay the principal of, premium if any, and interest on the Bonds when due, the District shall use its reasonable efforts to refinance, refund, or otherwise restructure the Bonds so as to avoid such insufficiency.

(f) In the event any ad valorem taxes are not paid when due, the District shall diligently cooperate with the appropriate county treasurer to enforce the lien of such unpaid taxes against the property for which the taxes are owed.

ARTICLE FIVE **PRIOR REDEMPTION**

Section 5.01. Prior Redemption.

(a) *Optional Redemption* - The Bonds are subject to redemption prior to maturity, at the option of the District, as a whole or in integral multiples of \$1,000, in any order of maturity and in whole or partial maturities (and if in part in such order of maturities as the District shall determine and by lot within maturities), on December 1, 2027, and on any date thereafter, upon payment of par, accrued interest, and a redemption premium equal to a percentage of the principal amount so redeemed, as follows:

<u>Date of Redemption</u>	<u>Redemption Premium</u>
December 1, 2027, through November 30, 2028	3.00%
December 1, 2028, through November 30, 2029	2.00
December 1, 2029, through November 30, 2030	1.00
December 1, 2030, and thereafter	0.00

(b) *Mandatory Sinking Fund Redemption* – The Bonds maturing in the year 2052 are also subject to mandatory sinking fund redemption prior to the maturity date of such Bonds, in part, by lot, upon payment of par and accrued interest, without redemption premium, on the dates and in the amounts set forth below:

**Mandatory Sinking Fund Redemption Schedule
for the Bonds Maturing December 1, 2052**

<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u>
2022	\$120,000	2038	\$125,000
2023	25,000	2039	135,000
2024	35,000	2040	150,000
2025	35,000	2041	155,000
2026	45,000	2042	170,000
2027	45,000	2043	180,000
2028	55,000	2044	195,000
2029	55,000	2045	205,000
2030	65,000	2046	225,000
2031	70,000	2047	235,000
2032	80,000	2048	255,000
2033	80,000	2049	270,000
2034	95,000	2050	290,000
2035	100,000	2051	305,000
2036	110,000	2052 ¹	685,000
2037	115,000		

¹ Maturity, not a sinking fund redemption date.

On or before 45 days prior to each sinking fund installment date as set forth above, the Trustee shall select for redemption, by lot in such manner as the Trustee may determine, from the Outstanding Bonds, a principal amount of such Bonds equal to the applicable sinking fund installment. The amount of the applicable sinking fund installment for any particular date shall be reduced by the principal amount of any Bonds which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and cancelled and not theretofore applied as a credit against a sinking fund installment. Such reductions shall be applied in such year or years as may be determined by the District. In the event that there are not sufficient moneys in the Senior Bond Fund to pay the full amount due in accordance with the foregoing on any sinking fund installment date, the Trustee shall redeem as many Bonds as possible on such date in integral multiples of \$1,000, and any redemption amount for which funds are not available to redeem Bonds shall be added to the redemption amount for the immediately succeeding sinking fund installment date.

Section 5.02. Redemption Procedure and Notice.

(a) If less than all of the Bonds within a maturity are to be redeemed on any prior redemption date, the Bonds to be redeemed shall be selected by lot prior to the date fixed for redemption, in such manner as the Trustee shall determine. The Bonds shall be redeemed only in integral multiples of \$1,000. In the event a Bond is of a denomination larger than \$1,000, a portion of such Bond may be redeemed, but only in the principal amount of \$1,000 or any integral multiple thereof. Such Bond shall be treated for the purpose of redemption as that number of Bonds which results from dividing the principal amount of such Bond by \$1,000. In the event a portion of any Bond is redeemed, the Trustee shall, without charge to the Owner of such Bond, authenticate and deliver a replacement Bond or Bonds for the unredeemed portion thereof.

(b) In the event any of the Bonds or portions thereof are called for redemption as aforesaid, notice thereof identifying the Bonds or portions thereof to be redeemed will be given by the Trustee by mailing a copy of the redemption notice by first class mail (postage prepaid), not less than thirty (30) days prior to the date fixed for redemption, to the Owner of each Bond to be redeemed in whole or in part at the address shown on the registration books maintained by or on behalf of the District by the Trustee. Failure to give such notice by mailing to any Owner, or any defect therein, shall not affect the validity of any proceeding for the redemption of other Bonds as to which no such failure or defect exists. The redemption of the Bonds may be contingent or subject to such conditions as may be specified in the notice, and if funds for the redemption are not irrevocably deposited with the Trustee or otherwise placed in escrow and in trust prior to the giving of notice of redemption, the notice shall be specifically subject to the deposit of funds by the District. All Bonds so called for redemption will cease to bear interest after the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time.

ARTICLE SIX **INVESTMENTS**

Section 6.01. Investments.

(a) All moneys held by the Trustee in any of the funds or accounts created hereby shall be promptly invested or reinvested by the Trustee, at the written direction of the District Representative, in Permitted Investments only. The Trustee may conclusively rely upon the District Representative's written instruction as to both the suitability and legality of the directed investments.

(b) Such investments shall mature or be redeemable at the option of the District no later than the respective dates when moneys held for the credit of such fund or account will be required for the purposes intended. The District Representative may direct the Trustee to, or in the absence of direction, the Trustee shall, in accordance with this paragraph, invest and reinvest the moneys in any money market fund which is a Permitted Investment so that the maturity date, interest payment date, or date of redemption, at the option of the owner of such investment, shall coincide as nearly as practicable with the times at which money is needed to be so expended. The Trustee shall have no obligation to determine whether any investment directed by the District constitutes a Permitted Investment. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including cash sweep account fees, and it is specifically provided herein that the Trustee may purchase or invest in shares of any investment company that (i) is registered under the Investment Company Act of 1940, as amended (including both corporations and Massachusetts business trusts, and including companies for which the Trustee may provide advisory, administrative, custodial, or other services for compensation), (ii) invests substantially all of its assets in short-term high-quality money-market instruments, limited to obligations issued or guaranteed by the United States, and (iii) maintains a constant asset value per share. The Trustee is specifically authorized to implement its automated cash investments system to assure that cash on hand is invested and to charge reasonable cash management fees, which may be deducted from income earned on investments. Unless otherwise confirmed or directed in writing, an account statement delivered periodically by the Trustee to the District that the

investment transactions identified therein accurately reflect the investment directions given to the Trustee by the District shall be sufficient, unless the District notifies the Trustee in writing to the contrary within 30 days of the date of such statement.

(c) Any and all such investments shall be subject to full and complete compliance at all times with the covenants and provisions of Section 6.02 hereof.

Section 6.02. Tax Matters.

(a) The District covenants for the benefit of the Owners that it will not take any action or omit to take any action with respect to the Bonds, any funds of the District, or any facilities financed with the proceeds of the Bonds, if such action or omission (i) would cause the interest on the Bonds to lose its exclusion from gross income for federal income tax purposes under Section 103 of the Code, (ii) would cause interest on the Bonds to lose its exclusion from federal alternative minimum taxable income as defined in Section 55(b)(2) of the Code, or (iii) would cause interest on the Bonds to lose its exclusion from Colorado taxable income or Colorado alternative minimum taxable income under present Colorado law.

(b) In the event that at any time the District is of the opinion that for purposes of this Section it is necessary to restrict or to limit the yield on the investment of any moneys held by the Trustee or held by the District under this Indenture, the District shall so restrict or limit the yield on such investment or shall so instruct the Trustee in a detailed certificate, and the Trustee shall take such action as may be necessary in accordance with such instructions.

(c) The District specifically covenants to comply with the provisions and procedures of the Tax Certificate.

(d) The District further covenants to pay from time to time all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any temporary, proposed, or final Treasury Regulations as may be applied to the Bonds from time to time. The payment of such rebate amounts as required by this paragraph supersedes all other provisions of this Indenture concerning the deposit and transfer of interest earnings to or from any other fund or account. Moneys set aside to pay such rebate amounts pursuant to this paragraph are not subject to any lien created hereunder for the benefit of the Owners. This covenant shall survive the payment in full or the defeasance of the Bonds.

(e) The District hereby designates the Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code.

(f) The covenants contained in this Section shall remain in full force and effect until the date on which all obligations of the District in fulfilling such covenants under the Code and Colorado law have been met, notwithstanding the payment in full or defeasance of the Bonds.

Section 6.03. Use of Interest Income. Except as provided hereafter for investments of the Reserve Fund, the interest income derived from the investment and reinvestment of any moneys in any fund or account held by the Trustee hereunder shall be credited to the fund or account from which the moneys invested were derived. With respect to the Reserve Fund, so long as the amount of the Reserve Fund is equal to the Required Reserve, all interest

income from the investment or reinvestment of moneys credited to the Reserve Fund shall be credited to the Bond Fund; provided that if the amount of the Reserve Fund is less than the Required Reserve, then such interest income shall be credited to the Reserve Fund.

ARTICLE SEVEN **DISCHARGE OF LIEN**

Section 7.01. Discharge of the Lien of the Indenture.

(a) If the District shall pay or cause to be paid to the Trustee, for the Owners of the Bonds, the principal of, premium if any, and interest to become due thereon at the times and in the manner stipulated herein, and if the District shall keep, perform, and observe all and singular the covenants and promises in the Bonds and in this Indenture expressed to be kept, performed, and observed by it or on its part, and if all fees and expenses of the Trustee required by this Indenture to be paid shall have been paid, then these presents and the estate and rights hereby granted shall cease, terminate, and be void, and thereupon the Trustee shall cancel and discharge the lien of this Indenture, and execute and deliver to the District such instruments in writing as shall be requisite to satisfy the lien hereof, and assign and deliver to the District any property at the time subject to the lien of this Indenture which may then be in its possession, and deliver any amounts required to be paid to the District under Section 8.05 hereof, except for moneys and Federal Securities held by the Trustee for the payment of the principal of, premium if any, and interest on the Bonds.

(b) Any Bond shall, prior to the maturity or prior redemption thereof, be deemed to have been paid within the meaning and with the effect expressed in this Section 7.01 if, for the purpose of paying such Bond (i) there shall have been deposited with the Trustee an amount sufficient, without investment, to pay the principal of, premium if any, and interest on such Bond as the same becomes due at maturity or upon one or more designated prior redemption dates, or (ii) there shall have been placed in escrow and in trust with a commercial bank exercising trust powers, an amount sufficient (including the known minimum yield from Federal Securities in which such amount may be invested) to pay the principal of, premium if any, and interest on such Bond, as the same becomes due at maturity or upon one or more designated prior redemption dates. The Federal Securities in any such escrow shall not be subject to redemption or prepayment at the option of the District, and shall become due at or prior to the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the District and such bank at the time of the creation of the escrow, or the Federal Securities shall be subject to redemption at the option of the holders thereof to assure such availability as so needed to meet such schedule. The sufficiency of any such escrow funded with Federal Securities shall be determined by a Certified Public Accountant.

(c) Neither the Federal Securities, nor moneys deposited with the Trustee or placed in escrow and in trust pursuant to this Section 7.01, nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, premium if any, and interest on the Bonds; provided however, that any cash received from such principal or interest payments on such Federal Securities, if not then needed for such purpose, shall, to the extent practicable, be reinvested subject

to the provisions of Article Six hereof in Federal Securities maturing at the times and in amounts sufficient to pay, when due, the principal of, premium if any, and interest on the Bonds.

(d) Prior to the investment or reinvestment of such moneys or such Federal Securities as herein provided, the Trustee may require and may rely upon: (i) an opinion of nationally recognized municipal bond Counsel experienced in matters arising under Section 103 of the Code and acceptable to the Trustee, that the investment or reinvestment of such moneys or such Federal Securities complies with Section 6.02 hereof; and (ii) a report of a Certified Public Accountant that the moneys or Federal Securities will be sufficient to provide for the payment of the principal of, premium if any, and interest on the Bonds when due.

(e) The release of the obligations of the District under this Section shall be without prejudice to the rights of the Trustee to be paid reasonable compensation by the District for all services rendered by it hereunder and all its reasonable expenses, charges, and other disbursements incurred in the administration of the trust hereby created, the exercise of its powers, and the performance of its duties hereunder.

Section 7.02. Continuing Role as Bond Registrar and Paying Agent. Notwithstanding the defeasance of the Bonds prior to maturity and the discharge of this Indenture as provided in Section 7.01 hereof, the Trustee shall continue to fulfill its obligations under Section 2.03 hereof until the Bonds are fully paid, satisfied, and discharged.

Section 7.03 Discharge on Termination Date. Notwithstanding any other provision in this Indenture, in the event that any amount of principal or interest on the Bonds remains unpaid after the application of all Pledged Revenue available therefor on the Termination Date, the Bonds and the lien of this Indenture securing payment thereof shall be deemed discharged, the estate and rights hereby granted shall cease, terminate, and be void, and thereupon the Trustee shall cancel and discharge the lien of this Indenture, and execute and deliver to the District such instruments in writing as shall be required to evidence the same. Upon such discharge, the Owners will have no recourse to the District or any property of the District for the payment of any amount of principal of or interest on the Bonds remaining unpaid.

ARTICLE EIGHT **DEFAULT AND REMEDIES**

Section 8.01. Events of Default. The occurrence of any one or more of the following events or the existence of any one or more of the following conditions shall constitute an Event of Default under this Indenture (whatever the reason for such event or condition and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree, rule, regulation, or order of any court or any administrative or governmental body), and there shall be no default or Event of Default hereunder except as provided in this Section:

- (a) The District fails or refuses to impose the Required Mill Levy;
- (b) The District defaults in the performance or observance of any of the covenants, agreements, or conditions on the part of the District in this Indenture or the Bond

Resolution, other than as described in Section 8.01(a) hereof, and fails to remedy the same after notice thereof pursuant to Section 8.12 hereof; or

(c) The District files a petition under the federal bankruptcy laws or other applicable bankruptcy laws seeking to adjust the obligation represented by the Bonds.

WITHOUT LIMITING THE FOREGOING, AND NOTWITHSTANDING ANY OTHER PROVISION CONTAINED HEREIN, THE DISTRICT ACKNOWLEDGES AND AGREES THAT THE APPLICATION OF ANY PORTION OF THE PLEDGED REVENUE TO ANY PURPOSE OTHER THAN DEPOSIT WITH THE TRUSTEE IN ACCORDANCE WITH THE PROVISIONS HEREOF CONSTITUTES A VIOLATION OF THE TERMS OF THIS INDENTURE AND A BREACH OF THE COVENANTS MADE HEREUNDER FOR THE BENEFIT OF THE OWNERS OF THE BONDS, WHICH SHALL ENTITLE THE TRUSTEE TO PURSUE, ON BEHALF OF THE OWNERS OF THE BONDS, ALL AVAILABLE ACTIONS AGAINST THE DISTRICT IN LAW OR IN EQUITY, AS MORE PARTICULARLY PROVIDED IN THIS ARTICLE 8. THE DISTRICT FURTHER ACKNOWLEDGES AND AGREES THAT THE APPLICATION OF PLEDGED REVENUE IN VIOLATION OF THE COVENANTS HEREOF WILL RESULT IN IRREPARABLE HARM TO THE OWNERS OF THE BONDS. IN NO EVENT SHALL ANY PROVISION HEREOF BE INTERPRETED TO PERMIT THE DISTRICT TO RETAIN ANY PORTION OF THE PLEDGED REVENUE.

It is acknowledged that due to the limited nature of the Pledged Revenue, the failure to pay the principal of or interest on the Bonds when due shall not, of itself, constitute an Event of Default hereunder.

IN ADDITION, IT IS ACKNOWLEDGED THE DISTRICT SHALL NOT BE REQUIRED TO IMPOSE THE REQUIRED MILL LEVY PURSUANT TO THE TERMS OF THIS INDENTURE FOR PAYMENT OF THE BONDS AFTER DECEMBER 2061 (FOR COLLECTION IN CALENDAR YEAR 2062). FURTHERMORE, PURSUANT TO THE INDENTURE, IN THE EVENT THAT ANY AMOUNT OF PRINCIPAL OF OR INTEREST ON ANY BOND REMAINS UNPAID AFTER THE APPLICATION OF ALL SUBORDINATE PLEDGED REVENUE AVAILABLE THEREFOR ON THE TERMINATION DATE (MAY 1, 2062), THE BONDS AND THE LIEN OF THE INDENTURE SECURING PAYMENT THEREOF SHALL BE DEEMED DISCHARGED. IN SUCH EVENT THE OWNERS WILL HAVE NO RECOURSE TO THE DISTRICT OR ANY PROPERTY OF THE DISTRICT FOR THE PAYMENT OF ANY AMOUNT OF PRINCIPAL OF OR INTEREST ON THE BOND REMAINING UNPAID.

Section 8.02. Remedies on Occurrence of Event of Default.

(a) Upon the occurrence and continuance of an Event of Default, the Trustee shall have the following rights and remedies which may be pursued:

- (i) *Receivership.* Upon the filing of a bill in equity or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners, the Trustee shall be entitled as a matter of right to the appointment of a receiver or receivers of the Trust

Estate, and of the revenues, income, product, and profits thereof pending such proceedings, subject however, to constitutional limitations inherent in the sovereignty of the District; but notwithstanding the appointment of any receiver or other custodian, the Trustee shall be entitled to the possession and control of any cash, securities, or other instruments at the time held by, or payable or deliverable under the provisions of this Indenture to, the Trustee.

- (ii) *Suit for Judgment.* The Trustee may proceed to protect and enforce its rights and the rights of the Owners under the Act, the Bonds, the Bond Resolution, this Indenture, and any provision of law by such suit, action, or special proceedings as the Trustee, being advised by Counsel, shall deem appropriate.
- (iii) *Mandamus or Other Suit.* The Trustee may proceed by mandamus or any other suit, action, or proceeding at law or in equity, to enforce all rights of the Owners.

(b) No recovery of any judgment by the Trustee shall in any manner or to any extent affect the lien of this Indenture or any rights, powers, or remedies of the Trustee hereunder, or any lien, rights, powers, and remedies of the Owners of the Bonds, but such lien, rights, powers, and remedies of the Trustee and of the Owners shall continue unimpaired as before.

(c) If any Event of Default under Section 8.01(a) hereof shall have occurred and if requested by the Owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, the Trustee shall be obligated to exercise such one or more of the rights and powers conferred by this Section 8.02 as the Trustee, being advised by Counsel, shall deem most expedient in the interests of the Owners; provided that the Trustee at its option shall be indemnified as provided in Section 9.01(m) hereof.

(d) Notwithstanding anything herein to the contrary, acceleration of the Bonds shall not be an available remedy for an Event of Default.

(e) Any amount of outstanding principal and/or accrued interest that remains unpaid upon the Termination Date shall be deemed to be forever discharged and satisfied in full.

Section 8.03. Control of Proceedings. The Consent Parties with respect to a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, at any time, to the extent permitted by law, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method, and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver, and any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions hereof; and provided further that at its option the Trustee shall be indemnified as provided in Section 9.01(m) hereof.

Section 8.04. Rights and Remedies of Owners. No Owner of any Bond shall have any right to institute any suit, action, or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust hereof or for the appointment of a receiver or any

other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in Section 9.01 hereof, or of which under that Section it is deemed to have notice, and unless such default shall have become an Event of Default and the Owners of not less than twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinabove granted or to institute such action, suit, or proceedings in their own name, nor unless they have also offered to the Trustee indemnity as provided in Section 9.01(m) hereof, nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name; and such notification, request, and offer of indemnity are declared in every case at the option of the Trustee to be conditions precedent to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice the lien of this Indenture by his, her, its, or their action, or to enforce any right hereunder except in the manner herein provided and that all proceedings at law or in equity shall be instituted, had, and maintained in the manner herein provided and for the equal benefit of the Owners of all Bonds then Outstanding.

Section 8.05. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article and any other moneys held as part of the Trust Estate, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and the fees (including attorneys' fees and expenses and the costs of any other professionals hired by the Trustee hereunder), expenses, liabilities, and advances incurred or made by the Trustee, shall be deposited in the appropriate accounts or accounts created hereunder in the same manner as is provided for deposits of other revenue and used for the purposes thereof, until the principal of, premium if any, and interest on all of the Bonds has been paid in full. Whenever all of the Bonds and interest thereon have been paid under the provisions of this Section and all expenses and fees of the Trustee have been paid, any balance remaining in any of the funds held hereunder shall be paid to the District.

Section 8.06. Trustee May Enforce Rights Without Bonds. All rights of action and claims under this Indenture or any of the Bonds Outstanding hereunder may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or proceedings relative thereto. Any suit or proceeding instituted by the Trustee shall be brought in its name as the Trustee, without the necessity of joining as plaintiffs or defendants any Owners of the Bonds, and any recovery of judgment shall be for the ratable benefit of the Owners of the Bonds, subject to the provisions of this Indenture.

Section 8.07. Trustee to File Proofs of Claim in Receivership, Etc. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition, or other judicial proceedings affecting the District, the Trustee shall, to the extent permitted by law, file such proofs of claims and other documents as may be necessary or advisable in order to have claims of the Trustee and of the Owners allowed in such proceedings, without prejudice, however, to the right of any Owner to file a claim in his own behalf.

Section 8.08. Delay or Omission No Waiver. No delay or omission of the Trustee or of any Owner to exercise any right or power accruing upon any default shall exhaust or

impair any such right or power or shall be construed to be a waiver of any such default, or acquiescence therein; and every power and remedy given by this Indenture may be exercised from time to time and as often as may be deemed expedient.

Section 8.09. No Waiver of One Default to Affect Another; Cumulative Remedies. No waiver of any default hereunder, whether by the Trustee or the Owners, shall extend to or affect any subsequent or any other then existing default or shall impair any rights or remedies consequent thereon. All rights and remedies of the Trustee and the Owners provided herein shall be cumulative and the exercise of any such right or remedy shall not affect or impair the exercise of any other right or remedy.

Section 8.10. Discontinuance of Proceedings on Default. In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case the District and the Trustee shall be restored to their former positions and rights hereunder with respect to the Trust Estate, and all rights, remedies, and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 8.11. Waivers of Events of Default. The Trustee may in its discretion waive any Event of Default hereunder and its consequences, and shall do so upon the written request of the Consent Parties with respect to a majority in aggregate principal amount of the Bonds then Outstanding; provided however, that there shall not be waived without the consent of the Consent Parties with respect to one hundred percent (100%) of the Bonds then Outstanding as to which the Event of Default exists any Event of Default under Section 8.01(a) hereof. In case of any such waiver, or in case any proceedings taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely to the Trustee, then in every such case the District, the Trustee, and the Owners shall be restored to their former positions and rights hereunder respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

Section 8.12. Notice of Default; Opportunity to Cure Defaults.

(a) The Trustee shall give to the Owners of all Bonds notice by mailing to the address shown on the registration books maintained by the Trustee, of all Events of Default known to the Trustee (as determined pursuant to Section 9.01(h) hereof), within ninety (90) days after the Trustee has knowledge of the occurrence of such Event of Default unless such Event of Default shall have been cured before the giving of such notice; provided that, the Trustee shall be protected in withholding such notice if and so long as a committee of its corporate trust department in good faith determines that the withholding of such notice is not detrimental to the interests of the Owners.

(b) No default under Section 8.01(b) hereof shall constitute an Event of Default until actual notice of such default by registered or certified mail shall be given by the Trustee, or by the Owners of not less than twenty-five percent (25%) in aggregate principal amount of all Bonds Outstanding to the District, and the District shall have had thirty (30) days after receipt of such notice to correct said default or cause said default to be corrected, and shall not have corrected said default or caused said default to be corrected within the applicable period; provided however,

if said default be such that it cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted within the applicable period and diligently pursued thereafter until the default is corrected.

ARTICLE NINE **CONCERNING TRUSTEE**

Section 9.01. Acceptance of Trusts and Duties of Trustee. The Trustee hereby accepts the trusts imposed upon it by this Indenture and agrees to perform said trusts, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of any Event of Default which may have occurred, shall undertake to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs in exercising the rights or remedies or performing any of its duties hereunder.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers, or employees, but shall be answerable for the conduct of the same in accordance with the standards specified in Section 9.01(a) and (g) hereof, and shall be entitled to act upon the advice or an opinion of Counsel concerning all matters of trust hereof and the duties hereunder, and may in all cases pay (and be reimbursed as provided in Section 9.02 hereof) such compensation to all such attorneys, agents, receivers, and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the advice or an opinion of Counsel. The Trustee shall not be responsible for any loss or damage resulting from any action taken or omitted to be taken in good faith in reliance upon the advice or opinion of such attorneys, agents, receivers, or employees chosen with due care.

(c) The Trustee shall not be responsible for any recital herein or in the Bonds, or for the recording or filing of this Indenture, or for the validity of the execution by the District of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds, and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions, or agreements on the part of the District, except as expressly herein set forth; but the Trustee may require of the District full information and advice as to the performance of the covenants, conditions, and agreements aforesaid. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Article Six hereof.

(d) The Trustee makes no representations as to the value or condition of the Trust Estate or any part thereof, or as to the validity or sufficiency of this Indenture or of the Bonds. The Trustee shall not be accountable for the use or application of any Bonds or the proceeds thereof (except for funds or investments held by the Trustee) or of any money paid to or upon the order of the District under any provision of this Indenture. The Trustee, in its individual or any other

capacity, may become the Owner of the Bonds with the same rights which it would have if not the Trustee.

(e) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram, or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. The Trustee may rely conclusively on any such certificate or other paper or document and shall not be required to make any independent investigation in connection therewith. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Registered Owner of any Bonds shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper, or proceedings, or whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering, or omitting any action hereunder, the Trustee shall be entitled to conclusively rely upon a certificate signed on behalf of the District by the District Representative or the District's President or Vice President or such other person as may be designated for such purpose by a certified resolution of the District as sufficient evidence of the facts therein contained, and, prior to the occurrence of a default of which the Trustee has been notified as provided in Section 9.01(h) hereof or of which by said Section it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction, or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful misconduct, and shall not be answerable for any negligent act of its attorneys, agents, or receivers which have been selected by the Trustee with due care.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder unless the Trustee shall be specifically notified in writing of such default by the District or by the Owners of at least twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding. All notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(i) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust in the manner and for the purposes for which they were received but need not be segregated from other funds except to the extent required by this Indenture or by law. The Trustee shall not be under any liability to invest any moneys received hereunder except as provided in Article VI hereof.

(j) At any and all reasonable times the Trustee or its duly authorized agents, attorneys, experts, engineers, accountants, and representatives shall have the right, but shall not be

required, to inspect any and all books, papers, and records of the District pertaining to the Bonds and the Pledged Revenue, and to take such memoranda from and in regard thereto as may be desired.

(k) Notwithstanding anything in this Indenture to the contrary, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals, or other information or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee, as may be deemed desirable for the purpose of establishing the right of the District to the authentication of any Bonds, or the taking of any other action by the Trustee.

(l) All records of the Trustee pertaining to the Bonds shall be open during reasonable times for inspection by the District.

(m) The Trustee shall not be required to advance its own funds, and before taking any action to enforce the terms of this Indenture, the Trustee may require that indemnity satisfactory to it be furnished to it for the reimbursement of all costs and expenses which it may incur, including attorney's fees, and to protect it against all liability, except liability which has been adjudicated to have resulted from its negligence or willful misconduct, by reason of any action so taken.

(n) The Trustee shall not be required to give any bond or surety in respect to the execution of its trusts and powers hereunder or otherwise with respect to the Bonds.

(o) The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Bonds, assumes no responsibility for the correctness of the same, and shall incur no responsibility in respect to such validity or sufficiency.

Section 9.02. Fees and Expenses of the Trustee.

(a) The Trustee shall be entitled to payment and reimbursement of its fees and expenses for ordinary services rendered hereunder (which compensation is not intended by the parties hereto to be limited by any provision of law in regard to the compensation of a trustee of an express trust) as and when the same become due, and all advances, agent and counsel fees and expenses and other ordinary expenses reasonably and necessarily made or incurred by the Trustee in connection with such ordinary services. The Trustee reserves the right to renegotiate its current fees for ordinary services to correspond with changing economic conditions, inflation and changing requirements relating to the Trustee's ordinary services.

(b) In the event that it should become necessary for the Trustee to perform extraordinary services, the Trustee shall be entitled to reasonable additional compensation therefor and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith; provided that if such extraordinary services or extraordinary expenses are occasioned by the negligence or willful misconduct of the Trustee it shall not be entitled to compensation or reimbursement therefore.

(c) The Trustee's right to compensation and indemnification shall survive the satisfaction and discharge of this Indenture or the Trustee's resignation or removal hereunder and payment in full of the Bonds.

Section 9.03. Resignation or Replacement of Trustee.

(a) The Trustee may resign, subject to the appointment of a successor, by giving thirty (30) days' notice of such resignation to the District and to all Owners of Bonds specifying the date when such resignation shall take effect. Such resignation shall take effect on the date specified in such notice unless a successor shall have been previously appointed as hereinafter provided, in which event such resignation shall take effect immediately on the appointment of such successor. The Trustee may petition the courts to appoint a successor in the event no such successor shall have been previously appointed. The Trustee may be removed at any time by an instrument in writing, executed by the Consent Parties with respect to a majority in aggregate principal amount of the Bonds then Outstanding. Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee.

(b) In case the Trustee shall at any time resign or be removed or otherwise become incapable of acting, a successor may be appointed by the District so long as it is not in default hereunder; otherwise by the Consent Parties with respect to a majority in aggregate principal amount of the Bonds then Outstanding by an instrument or concurrent instruments signed by such Consent Parties, or their attorneys-in-fact appointed; provided however, that even if the District is in default hereunder it may appoint a successor until a new successor shall be appointed by the District or the Consent Parties as herein authorized. The District, upon making such appointment, shall forthwith give notice thereof to the Owners by mailing to the address shown on the registration books maintained by the Trustee, which notice may be given concurrently with the notice of resignation given by any resigning Trustee. Any successor so appointed by the District shall immediately and without further act be superseded by a successor appointed in the manner above provided by the District or the Consent Parties, as applicable.

(c) Every successor Trustee shall always be a commercial bank or trust company in good standing, qualified to act hereunder, and having a capital and surplus of not less than \$50,000,000, if there be such an institution willing, qualified, and able to accept the trust upon reasonable or customary terms. Any successor appointed hereunder shall execute, acknowledge, and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor shall, without any further act, deed, or conveyance, become vested with all estates, properties, rights, powers, and trusts of its predecessor in the trust hereunder with like effect as if originally named as the Trustee hereunder, and thereupon the duties and obligations of the predecessor shall cease and terminate; but the Trustee retiring shall, nevertheless, on the written demand of its successor and upon the payment of the fees and expenses owed to the predecessor, execute and deliver an instrument conveying and transferring to such successor, upon the trusts herein expressed, all the estates, properties, rights, powers, and trusts of the predecessor, who shall duly assign, transfer, and deliver to the successor all properties and moneys held by it under this Indenture. If any instrument from the District is required by any successor for more fully and certainly vesting in and confirming to it the estates, properties, rights, powers, and trusts of the

predecessor, those instruments shall be made, executed, acknowledged, and delivered by the District on request of such successor.

(d) The instruments evidencing the resignation or removal of the Trustee and the appointment of a successor hereunder, together with all other instruments provided for in this Section, shall be filed or recorded by the successor Trustee in each recording office, if any, where this Indenture shall have been filed or recorded.

Section 9.04. Conversion, Consolidation, or Merger of Trustee. Anything herein to the contrary notwithstanding, any bank or trust company or other person into which the Trustee or its successor may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business as a whole, shall be the successor of the Trustee under this Indenture with the same rights, powers, duties, and obligations, and subject to the same restrictions, limitations, and liabilities as its predecessor, all without the execution or filing of any papers or any further act on the part of any of the parties hereto, provided that such bank, trust company, or other person is legally empowered to accept such trust.

Section 9.05. Trustee Protected in Relying Upon Resolutions, Etc. The resolutions, opinions, certificates, and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein, and the Trustee shall not be required to make any independent investigation in connection therewith. Such resolutions, opinions, certificates, and other instruments shall be full warrant, protection, and authority to the Trustee for the release of property and the withdrawal of cash hereunder. Except as provided herein, the Trustee shall not be under any responsibility to seek the approval of any expert for any of the purposes expressed in this Indenture; provided however, that nothing contained in this Section shall alter the Trustee's obligations or immunities provided by statutory, constitutional, or common law with respect to the approval of independent experts who may furnish opinions, certificates, or opinions of Counsel to the Trustee pursuant to any provisions of this Indenture.

ARTICLE TEN **SUPPLEMENTAL INDENTURES**

Section 10.01. Supplemental Indentures Not Requiring Consent. Subject to the provisions of this Article, the District and the Trustee may, without the consent of or notice to the Owners or Consent Parties, enter into such indentures supplemental hereto, which supplemental indentures shall thereafter form a part hereof, for any one or more of the following purposes:

(a) To cure any ambiguity, to cure, correct, or supplement any formal defect or omission or inconsistent provision contained in this Indenture, to make any provision necessary or desirable due to a change in law, to make any provisions with respect to matters arising under this Indenture, or to make any provisions for any other purpose if such provisions are necessary or desirable and do not materially adversely affect the interests of the Owners of the Bonds;

(b) To subject to this Indenture additional revenues, properties, or collateral;

(c) To grant or confer upon the Trustee for the benefit of the Owners any additional rights, remedies, powers, or authority that may lawfully be granted to or conferred upon the Owners or the Trustee; and

(d) To qualify this Indenture under the Trust Indenture Act of 1939.

Section 10.02. Supplemental Indentures Requiring Consent.

(a) Except for supplemental indentures delivered pursuant to Section 10.01 hereof, and subject to the provisions of this Article, the Consent Parties with respect to a majority (or for modifications of provisions hereof which require the consent of a percentage of Owners or Consent Parties higher than a majority, such higher percentage) in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, to consent to and approve the execution by the District and the Trustee of such indenture or indentures supplemental hereto as shall be deemed necessary or desirable by the District for the purpose of modifying, altering, amending, adding to, or rescinding, in any particular, any of the terms or provisions contained in this Indenture; provided however, that without the consent of the Consent Parties with respect to all the Outstanding Bonds affected thereby, nothing herein contained shall permit, or be construed as permitting:

- (i) a change in the terms of the maturity of any Outstanding Bond, in the principal amount of any Outstanding Bond, in the optional or mandatory redemption provisions applicable thereto, or the rate of interest thereon;
- (ii) an impairment of the right of the Owners to institute suit for the enforcement of any payment of the principal of or interest on the Bonds when due;
- (iii) a privilege or priority of any Bond or any interest payment over any other Bond or interest payment; or
- (iv) a reduction in the percentage in principal amount of the Outstanding Bonds, the consent of whose Owners or Consent Parties is required for any such supplemental indenture.

(b) Upon the execution of any supplemental indenture pursuant to the provisions of this Section, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties, and obligations under this Indenture of the District, the Trustee, and all Owners of Bonds then Outstanding shall thereafter be determined, exercised, and enforced hereunder, subject in all respects to such modifications and amendments.

(c) If at any time the District shall request the Trustee to enter into such supplemental indenture for any of the purposes of this Section, the Trustee shall, upon being satisfactorily indemnified with respect to fees and expenses, cause written notice of the proposed execution of such supplemental indenture to be given to each Owner of a Bond at the address shown on the registration books of the Trustee prior to the proposed date of execution and delivery of any such supplemental indenture. If the Consent Parties with respect to not less than the required

percentage in aggregate principal amount of the Bonds then Outstanding at the time of the execution of any such supplemental indenture consent to the execution thereof, no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the District from executing the same or from taking any action pursuant to the provisions thereof.

Section 10.03. Execution of Supplemental Indenture. The Trustee is authorized to join with the District in the execution of any such supplemental indenture and to make further agreements and stipulations which may be contained therein; provided that, prior to the execution of any such supplemental indenture (whether under Section 10.01 or 10.02 hereof) the Trustee and the District may require and shall be fully protected in relying upon an opinion of nationally recognized municipal bond Counsel experienced in matters arising under Section 103 of the Code and acceptable to the Trustee and the District, to the effect that: (i) the supplement will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds; (ii) the District is permitted by the provisions hereof to enter into the supplement; and (iii) the supplement is a valid and binding obligation of the District, enforceable in accordance with its terms, subject to matters permitted by Section 1.05 hereof.

ARTICLE ELEVEN **MISCELLANEOUS**

Section 11.01. Parties Interested Herein. Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any person other than the District, the Trustee, the Owners of the Bonds, and for Bonds held by a Depository, the Beneficial Owners and the Participants, any right, remedy, or claim under or by reason of this Indenture or any covenant, condition, or stipulation hereof; and all the covenants, stipulations, promises, and agreements in this Indenture by and on behalf of the District shall be for the sole and exclusive benefit of the District, the Trustee, the Owners of the Bonds, and for Bonds held by a Depository, the Beneficial Owners and the Participants.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: **FOUR MILLION SEVEN HUNDRED TEN THOUSAND DOLLARS**

Waterfall Metropolitan District No. 1 (the "District"), a special district duly organized and operating under the constitution and laws of the State of Colorado, for value received, hereby acknowledges itself indebted and promises to pay, solely from and to the extent of the Pledged Revenue (as defined in the Indenture described below), to the registered owner named above, or registered assigns, on the maturity date specified above or on the date of prior redemption, the principal amount specified above. In like manner the District promises to pay interest on such principal amount (computed on the basis of a 360-day year of twelve 30-day months) from the interest payment date next preceding the date of registration and authentication of this Bond, unless this Bond is registered and authenticated prior to December 1, 2022, in which event this Bond shall bear interest from the original issue date specified above, at the interest rate per annum specified above, payable on June 1 and December 1 each year, commencing on December 1, 2022, and on the maturity date specified above, until the principal amount is paid at maturity or upon prior redemption. To the extent not paid when due, such interest shall compound on each interest payment date until the Termination Date (defined below), at the rate borne by this Bond; provided however, that notwithstanding anything herein to the contrary, the District shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of the Bonds, including all payments of principal, premium if any, and interest, and all Bonds will be deemed defeased and no longer outstanding upon the payment by the District of such amount. The Bonds are issued pursuant to that certain Indenture of Trust (the "Indenture") between the District and UMB Bank, n.a., as trustee (the "Trustee").

Notwithstanding anything herein to the contrary, this Bond and interest hereon shall be deemed to be paid, satisfied, and discharged on May 1, 2062 (the "Termination Date"), regardless of the amount of principal and interest paid prior to the Termination Date.

The principal of this Bond and premium, if any, are payable in lawful money of the United States of America to the registered owner hereof upon maturity or prior redemption and presentation at the principal office of the Trustee. Payment of each installment of interest shall be made to the registered owner hereof whose name shall appear on the registration books of the District maintained by or on behalf of the District by the Trustee at the close of business on the fifteenth (15th) day of the calendar month next preceding each interest payment date (the "Record Date"), and shall be paid by check or draft of the Trustee mailed on or before the interest payment date to such registered owner at his address as it appears on such registration books. The Trustee may make payments of interest on any Bond by such alternative means as may be mutually agreed to between the registered owner of such Bond and the Trustee as provided in the Indenture. Any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the registered owner hereof at the close of business on the Record Date and shall be payable to the person who is the registered owner hereof at the close of business on a Special Record Date (the "Special Record Date") established for the payment of any unpaid interest. Notice of the Special Record Date and the date fixed for the payment of unpaid interest shall be given by first-class mail to the registered owner hereof as shown on the registration books on a date selected by the Trustee.

This Bond is one of a series aggregating \$4,710,000 par value, all of like date, tenor, and effect, issued by the District for the purpose of paying the costs of the Project (as defined in the Indenture), by virtue of and in full conformity with the Constitution of the State of Colorado; Title 32, Article 1, Part 11, C.R.S.; the Refunding Act (as defined in the Indenture); Title 11, Article 57, Part 2, C.R.S.; and all other laws of the State of Colorado thereunto enabling, and pursuant to the duly adopted Bond Resolution (as defined in the Indenture) and the Indenture. Pursuant to §11-57-210, C.R.S., such recital shall be conclusive evidence of the validity and the regularity of the issuance of the Bonds after their delivery for value.

It is hereby recited, certified, and warranted that all of the requirements of law have been fully complied with by the proper officers in issuing this Bond. It is hereby further recited, certified, and warranted that the total indebtedness of the District, including that of this Bond, does not exceed any limit prescribed by the constitution or laws of the State of Colorado; that at the election lawfully held within the District on May 6, 2008, the incurrence of the indebtedness represented by this Bond was duly authorized by a majority of the electors of the District qualified to vote and voting at said election; and that provision has been made for the levy and collection of an ad valorem tax on all of the taxable property within the District in the amount of the Required Mill Levy (as defined in the Indenture) for the purpose of paying the principal of and interest on this Bond as the same respectively become due.

The Bonds are payable solely from and to the extent of the Pledged Revenue (as defined by the Indenture), and the Pledged Revenue is pledged to the payment of the Bonds. The Bonds constitute an irrevocable lien upon the Pledged Revenue, but not necessarily an exclusive such lien.

Reference is hereby made to the Indenture for an additional description of the nature and extent of the security for the Bonds, the accounts and revenues pledged to the payment thereof, the rights and remedies of the registered owners of the Bonds, the manner in which the Indenture may be amended, and the other terms and conditions upon which the Bonds are issued, copies of which are on file for public inspection at the office of the District Secretary.

Bonds of this issue are subject to redemption prior to maturity as provided in the Indenture. The Bonds will be redeemed only in integral multiples of \$1,000. In the event a Bond is of a denomination larger than \$1,000, a portion of such Bond may be redeemed, but only in the principal amount of \$1,000 or any integral multiple thereof. Such Bond will be treated for the purposes of redemption as that number of Bonds which results from dividing the principal amount of such Bond by \$1,000. In the event a portion of this Bond is redeemed, the Trustee shall, without charge to the registered owner of this Bond, authenticate and deliver a replacement Bond or Bonds for the unredeemed portion.

Notice of prior redemption shall be given to the registered owner of this Bond not less than thirty (30) days prior to the date fixed for redemption in the manner set forth in the Indenture. The redemption of the Bonds may be contingent or subject to such conditions as may be specified in the notice. All Bonds called for redemption will cease to bear interest after the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time.

The District and Trustee shall not be required to issue or transfer any Bonds: (a) during a period beginning at the close of business on the Record Date and ending at the opening of business on the first business day following the ensuing interest payment date; or (b) during the period beginning at the opening of business on a date forty-five (45) days prior to the date of any redemption of Bonds and ending at the opening of business on the first business day following the day on which the applicable notice of redemption is mailed. The Trustee shall not be required to transfer any Bonds selected or called for redemption, in whole or in part.

The District and the Trustee may deem and treat the registered owner of this Bond as the absolute owner hereof for all purposes (whether or not this Bond shall be overdue), and any notice to the contrary shall not be binding upon the District or the Trustee.

This Bond may be exchanged at the principal office of the Trustee for a like aggregate principal amount of Bonds of the same maturity of other authorized denominations. This Bond is transferable by the registered owner hereof in person or by his attorney duly authorized in writing, at the principal office of the Trustee, but only in the manner, subject to the limitations, and upon payment of the charges provided in the Indenture and upon surrender and cancellation of this Bond. This Bond may be transferred upon the registration books upon delivery to the Trustee of this Bond, accompanied by a written instrument or instruments of transfer in form and with guaranty of signature satisfactory to the Trustee, duly executed by the owner of this Bond or his attorney-in-fact or legal representative, containing written instructions as to the details of the transfer of the Bond, along with the social security number or federal employer identification number of such transferee. In the event of the transfer of this Bond, the Trustee shall enter the transfer of ownership in the registration books and shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of authorized denominations of the same maturity and interest rate for the aggregate principal amount which the registered owner is entitled to receive at the earliest practicable time. The Trustee shall charge the owner of this Bond for every such transfer or exchange an amount sufficient to reimburse it for its reasonable fees and for any tax or other governmental charge required to be paid with respect to such transfer or exchange.

If the date for making any payment or performing any action shall be a legal holiday or a day on which the principal office of the Trustee is authorized or required by law to remain closed, such payment may be made or act performed on the next succeeding day which is not a legal holiday or a day on which the principal office of the Trustee is authorized or required by law to remain closed.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by the Trustee.

Re: Waterfall Metropolitan District No. 1 Senior General Obligation Limited Tax
Refunding Bonds, Series 2022A

Ladies and Gentlemen:

The undersigned (the “**Purchaser**”), being an initial purchaser of the above-referenced bonds (the “**Bonds**”), does hereby certify, represent and warrant for the benefit of Waterfall Metropolitan District No. 1 (the “**District**”) and UMB Bank, n.a., as trustee (the “**Trustee**”), that:

(a) The Purchaser is a financial institution or institutional investor as described in §32-1-1101 (6)(a)(IV), C.R.S.

(b) The Purchaser has sufficient knowledge and experience in financial and business matters, including the purchase and ownership of tax-exempt obligations and is capable of evaluating the merits and risks of its investment in the Bonds and, based on such knowledge and experience, the Preliminary Limited Offering Memorandum relating to the Bonds (the “**PLOM**”), and the Purchaser’s own internal due diligence in reliance on the PLOM, has evaluated such risks and merits to its satisfaction. The Purchaser is able to bear the economic risk of, and an entire loss of, an investment in the Bonds.

(c) The Purchaser is acquiring the Bonds solely for its own account for investment purposes, and does not presently intend to make a public distribution of, or to resell or transfer, all or any part of the Bonds. The Purchaser may sell the Bonds at any time, at Purchaser's sole discretion, subject to and in accordance with the terms and conditions of the Bonds, including but not limited to the transfer restrictions described in this letter. The Purchaser understands that the Bonds will be issued in minimum denominations of \$500,000 and integral multiples of \$1,000 in excess thereof.

(d) The Purchaser understands that the Bonds have not been registered under the Securities Act of 1933, as amended (the “**Act**”) or under any state securities laws. Without limiting

the Trustee's or the Underwriter's respective obligations to comply with any applicable state and federal securities laws then in effect with respect to the sale or disposition of the Bonds, the Purchaser agrees that it will comply with any applicable state and federal securities laws then in effect with respect to any disposition of the Bonds by it, and further acknowledges that any current exemption from registration of the Bonds does not affect or diminish such requirements.

(e) Based on the Purchaser's knowledge and experience, the information set forth in the PLOM, and the Purchaser's own internal due diligence in reliance on the PLOM, the Purchaser is familiar with the conditions, financial and otherwise, of the District. Further, the Purchaser understands that the Bonds involve a degree of risk. The Purchaser has received and read the PLOM in connection with and relating to the Bonds. The Purchaser understands it will receive the final Limited Offering Memorandum at or prior to the time of closing of the Bonds. The Purchaser has reviewed the documents to be executed in conjunction with the issuance of the Bonds, including, without limitation, the Indentures.

(f) The Purchaser has authority to purchase the Bonds and to execute this letter and any other instruments and documents required to be executed by the Purchaser in connection with the purchase of the Bonds. The undersigned is authorized to cause the Purchaser to make the certifications, representations and warranties contained herein by execution of this letter on behalf of the Purchaser.

(g) In entering into this transaction, the Purchaser has relied upon the legal opinion issued by bond counsel, Kline Alvarado Veio, P.C. ("**Bond Counsel**") with respect to the Bonds. (j) Neither the Trustee nor the District, nor any of their respective members, governing bodies, or employees, counsel or agents will have any responsibility to the Purchaser for the accuracy or completeness of information obtained by the Purchaser from third parties or their agents regarding the Bonds, the provision for payment thereof, or the sufficiency of any security therefor. The Purchaser has sought such accounting, legal and tax advice as it considers necessary to make an informed investment decision. The Purchaser acknowledges that, as between the

Purchaser and the District and the Trustee, the Purchaser has assumed responsibility for obtaining such information and making such review as the Purchaser deemed necessary or desirable in connection with its decision to purchase the Bonds. Notwithstanding anything to the contrary contained herein, (i) the Purchaser may rely on the final opinions furnished by Bond Counsel as set forth as Appendix G to the Limited Offering Memorandum, and (ii) the Purchaser is not waiving any rights it may have against the Underwriter under applicable anti-fraud provisions of the U.S. or any state securities laws.

The Purchaser acknowledges that the sale of the Bonds to the Purchaser is made in reliance upon the certifications, representations and warranties herein by the addressees hereto. Capitalized terms used herein and not otherwise defined have the meanings given such terms in the Indentures, each dated as of May 1, 2022 between the District and the Trustee.
